**Subject:** Here is the current access list - please make updates as neededRe: Full List of Dimock Custodians

Hello All,  
I've just given you all rights to update the HQ Dimock access group to add people who may have been left off the original list.  
Here is a link to the group -->

To add someone, open the group, click Edit Document, then use the pull-down at the bottom to get the correctly formatted name.  
I just made the change so it may take a few minutes for it to replicate your access update.

Mike
